

Castile March 23rd 1913

My Dear Mr. Sausage

I think you are right in regard to the place for the Executive Committee so I write to you to say to you come to Castile. I have had a talk with Mrs. Bon Arbell and she says write them to come here I will entertain them and of course she says this is the place for them. Now in regard to time I think the middle or the last of April will be the best time for the

Committee to come for if they come  
the come the twenty fifth there  
will be over three months before  
the time for the Session

Now dear if you still think  
this is the place for the Committee  
to come please write me and  
say what time you think best  
Please let me know as soon  
as convenient.

Love to all

Yours sincerely

C. A. Burlingham
