Judge A. W. Loring
Hoyville T. G.
Dear Sir, your letter contain-
ing check for five dollars
to aid me in payment
of freight. My letter to you
did not ask you for aid
in this case. Nor did I
intend to ask you for help
you have done all for us
and enough. Now thank
we can even compensate
you for it. I thought all persons
who had shipped to us clothes
had also notified you by
letter and that you knew
them and might send them
the freight bills and they might
aid same. However, let it
go over. I have entered the work
and will carry it out at my
expense to myself. Some of the
packages came to me with no
letter or mark by which I can
tell from where they came.

Your Strong Friend
A. M. Middlebrooks

Madam you may if
you will return the
freight bills
