Dear Sir,  
I am in possession of your letter to Mrs Lewis of this place written Feb 15.  
She handed it a few days ago to Prof. L. M. Huff, President of the College here.  
The two literary societies connected with the school ~~the~~ give a series of lectures ~~every~~ every season.  
Dr. Juncos of Chicago was booked for Feb 13<sup>th</sup> but owing to his throat difficulty he was obliged to cancel his engagement. We then,

substituted Joseph Cook.  
He was to appear Friday eve,  
Nov 24" but missed the train  
at Cincinnati; so you  
see we have been un-  
fortunate. Some of the people  
think there is a possibility of  
not getting Dr Gursanulva.  
We have written him but  
have not yet heard from him.  
Now if we fail to secure Dr  
Gursanulva, could Judge  
Fougee give us a lecture  
in the near future?

If so when? and at what  
terms? If we <sup>should</sup> ~~include~~ to  
take him we certainly will depend  
upon his being here on the  
appointed night, for we  
have already lost ~~much~~ money  
and <sup>much</sup> patience by the last two  
failures to secure good talent.  
Please reply immediately  
and oblige  
Yours truly
