My Dear Sir

I notice by the Chicago Inter Ocean that you are to deliver a lecture on the Race Problem in the Union Park Cong Church on Tuesday eve the 11<sup>th</sup>. And I write you asking whether you could be induced to come to Lansing & deliver the same lecture, & if so at what price & about what time, would suit you best. if arrangement can be made think sometime this month, would suit best. the lecture if given will be for the benefit of the 1<sup>st</sup> Presbyterian Church & proceeds towards paying the church debt. I write entirely on my own responsibility. an early reply would very much oblige

Yours  
John Robson
