Thursday morning -

The unlucky 13<sup>th</sup> of April -

Dear Mamma -

I have just endured  
a new experience - in other words  
I'm burnt out. My room +  
Miss Kocher's is just cinders -  
As it's only just put up, so I  
can't say how much is lost -  
I have saved my rings, watch -  
new cape + hat, Indian blanket,  
and the clothes I'm in - and  
not all my drawings are burnt.  
I will write later + in particulars.

Will stay with Miss Hoffman  
Yours - U. L. J

Fire started 10 P.M. a.m. I was at  
Doherty's
