Dear Madam:-

Yours of the 13th. is just received. I am very sorry indeed to hear of the accident that has happened to the illustrations, and hope that you suffered no serious loss aside from them.

We have not yet received the manuscript from your Father. We will have the cover design made, but thought you had some choice as to what it should be, and if you will give us a little idea of what your plan was we will have it done here.

Yours truly,

D. D. Merrill Co.
