## The Inter Ocean.

Chicago, April 16, 1893.

There were 57 pictures used in  
 "Out of the Sun and Sea." Of these 33  
 were made from drawings  
 furnished by Gaspard and 24  
 made from drawings by Miss  
 Annee Fougere. Pay at our regular  
 car rates for the 24 drawings  
 would be \$72.<sup>00</sup>. As Miss  
 Fougere submitted many  
 drawings which were  
 drawn by Gaspard, I think  
 it would be fair to pay  
 her \$100.<sup>00</sup>
