In reply to Mrs. Jorgue request for Bristol Board to send - we although we appreciate the hurry the matter is in hesitated to send without first submitting a sample of our best Bristol board - to try the surface for work as is desired - this board comes 22 x 28 - and we could send immediately upon receipt of advice - we have also a very rough board same size. Kindly advise if satisfactory.

We enclose receipts with thanks.

Respectfully

Peter Paul & Bro.
