Dear Mrs. Lawrence
at last Miss
Sturge has sent me the
little sketch of her ju-
dentary in the hope
that more skillful
hands may turn it
into something better.

I feel a little anxious kindly let me know
to hear if you have if you receive any
anything to pay upon account. Believe me

strict injunction that Cuntance Sheppard.
everything was done I am rather hoping
changed to us, but as to see a calamity
for us account has from the other name
reached us, will you say this week or two

way to Alandeen.
