## The Inter Ocean.

Chicago, April 21, 1893.

A. W. Tourgee, Esq.,

Mayville, N. Y.

Dear Sir:--

In sending your weekly remittance this time, we deducted \$40.00 from your check the same being amount of bill of Belford, Clark & Co. for pamphlets sent to the Minneapolis Convention. In addition to that we paid them a bill of \$224.10 for pamphlets published prior to that time which, I understand from Mr. Nixon, The Inter Ocean was to settle. Trusting this explanation is satisfactory, I remain,

Yours truly,

*W. J. Tourgee*  
Business Manager.
