Miss Aimee Tourgee,  
Maysville, N.Y.

My Dear Miss Tourgee,

I have yours of 21st. at hand on Saturday and note your directions as stated. I have also your other letter of the same date directing that all the titles are to be cut off, and as this required more or less changing of the blocking, through the tcks being in the way of cutting off the titles, I have not yet been able to get together the set of proofs which you desire. I trust to get the plates in shape tomorrow as far as completed, so as to send you a new set of proofs from them, and will push the remainder of the work as far as it is in hand to rapid completion, and will give special precedence to such others as you may have to send in towards the last, so as to save all possible time for you.

Yours very truly,
