Mr. Albert H. Tourgee
Mayville
N.Y.

Dear Sir,

I called at your hotel
this afternoon, to find that
you had already gone.

I regret that I could not
have seen you.

In behalf of the Faculty of the
school, I desire to express
my grateful appreciation

of your services to the school.

The classes have expressed their
enjoyment of your lectures
and the receipt they desired
therefrom.

I trust next year that
we may have more men
to greet you. But as we
are not discouraged, I beg
of you not to be.

Yours Respectfully
Orning Townsend
Secretary
