Miss W. F. Conrall.
Mayville

Your letter with
sample was duly recd. this A.M. As regards
goods being all wool. We will guarantee
the goods to be every thread wool,
and you need not hesitate a moment
on buying it if the pattern is satisfactory.
I have sold hundreds of yards of
the same quality of goods, and never
had the least complaint therefrom.
Consequently I do not hesitate to recom-
mend the goods highly.

I am very truly yours
W. O. Porter
