What is over People of a against
The Black People if it is because
he is Black then are not working him
then are not working I do know God made
them of the same nation one Blood the
intermingled with ^{the} the
which were then it that was because
then do you think that our People is
surrendering then are not surrendering
~~excuse~~ ^{or} ~~excuse~~ these Black
People has fought in the last war
war in the United States and
joined the independence we hope the
United States to give them independence
deserve and I never then say a word
a word it is because that they think
that the Black's was nothing a word
it but a mistake as the

What Will The Preachers do When
they come before God and love the
Black man out west he come up
Waiting Just look at something
The Black's Work Work 250 Years and
Tom Bee and not giving it
The World the like never ever
more before a hatreds without
a color has no colour & God
doesn't love you
