My dear Mrs. Tourge

I have just received your letter of the 4th and was very glad to hear from you. I have been very well and hope these few lines will find you the same. I have not much news to write at present. I have been very busy with my work and have not had time to do much of anything else. I have been thinking of you very much and hope you are all well. I have been very much interested in the news of the day and hope you are the same. I have been very much interested in the news of the day and hope you are the same.
