My Dear Mr. Bourges

Since I wrote you  
last we have had a meeting at  
Perryville the majority of the  
Committee were in favor of  
the Pioneer ground though we  
cannot have the Auditorium  
Walker has a hall they thought  
would do for the all the Literary  
we could have so I shall write  
Mr. Woods that we shall not accept  
their offer do the best they could for

us. I think they would have tried to meet on that ground or in Gaines  
make it pleasant for us in their-ville. Now I do not think of anything  
ground. Some people have a great desire to write now I hope this  
love for the Pioneer ground I did well find you and your friends  
not go to the Lab. the day of the <sup>Committee</sup> well write if you think of any  
~~meeting~~ but I will go out soon and thing to say to me about the Re-  
look the ground over I will <sup>then</sup> write - unear. Accept much love  
you again I hope we may have Yours Sincerely  
a pleasant time this year also C. A. Burlingame  
I will see that the Committee  
on invitations ~~to~~ their duty  
One reason why I like the Assembly  
grounds is the order they have  
there I spent a sabbath there  
last year after the Reunion and  
the grounds were as quiet and  
orderly as any Christian home  
I hope if we meet in 94 we may
