Hon. A. W. Tourges,

Mayvill, N. Y.

Dear Sir:-

At a meeting of the Committee, appointed by the Alumni of Rochester University, to invite alumni and other friends of the university to address the assemblage on the occasion of the next Alumni Dinner, you were named as one that would give great satisfaction to the entire Alumni by coming to our next commencement and encourage the occasion by such remarks, as you deem suitable.

The purpose of making our next commencement, one to be remembered by all in attendance, is uppermost among us all here and we hope you will not refuse to do this which we ask of you in honor of our common Alma Mater. It would be a disappointment to us not to see you here as the number selected to speak is not large we depend upon those few named to come if possible.

An early and favorable answer would give great pleasure to

Yours respectfully,

Dr. D. J. Hill.

John Fahy.
