Mayville, May 18, 1893.

Mr. Fougée;

My sister Rose is in Buffalo and will not be home before June 1st and perhaps not till after. I think she has all of the sewing engaged that she can do this Spring. If she were at liberty she would be glad to help you. You can have one load of hay now, and possibly more later. Thanks for the check.

Yours Truly,

F. A. Wallis. (Miss)
