Dear Mrs Jorgce

Your kind Letter & Book came to hand sooner than I expected I am always thankful to hear of the safe arrival of such letters since they sometimes go to the dead letter office The one inclosed is the third I have had within the last year I did not think very strange of not getting an answer knowing you have so many cares I hope this will find your Mother better I have thought so much about your daughter since the fire thinking what a mercy that her life was spared I hope she is with you

I was very much interested in
reading the Book I was not
long in reading it though &
then lent it for others to read
The little bill is to pay you
for your time reading my
scribbling Please accept with
my best wishes to you & yours
..... yours truly E. H. Burnett
