My dear Mr. Fougere

Your favor is recd
I will mail copies Cos-
mopolitan as requested,

Having fitted upon and
moved into the new store No 10,
W. Third St. (opp, Sherman Ho,)
I have been busily engaged in
getting settled, taking inventory
etc - Your request to make
report sales books has been
neglected incld overlooked,

I made out statement last
year and packed books for
shipment to you but a call
for one of the Judges Books
caused its being broken open
and several sales have since
been made, I will make up
another statement and remit next
month - Resp'y W. W. Henderson
