Judge Furgee

Dear Sir

Would you please inform
me at what price you
could get me a law
book of the laws of the
State of Illinois and
if you can not get it
for me please tell me
of some reliable Firm
that I could purchase
a correct law book from.
As you are experience
in such matters I
write to you being
positive that you are

reliable in all matters
Tell me what a law
book of the laws of Ill.
will cost.

There has been several
arguments about the
National holidays
and quite ~~the~~ disagree-
ment as to what rights
the state had. and as
I have always wanted
a law book of Ill. since
I have been married
I concluded to write to
you for information
about one.

Yours Truly
