My Dear Cousin

I received your card which brought the sad news of the death of your Dear Mother and for us because we shall miss her so much you her society and I the loving letter which I enjoyed so much but for her it is all gain. how soon she followed the sister she loved so much we miss her so. but would not ask to have her back she was so anxious to go and be at rest but Dear Cousin

Esther Ann was so lonesome
without her that she took
a trip west and make
her daughter a visit dont
think she has returned
yet we are all yours
with love to all
