Dear Miss Bourne

The skirt dress you
referred to in your note I
understood was intended for
Miss Touge, I was to have sent
it home in the parcel but you
wrote me your mother's name
came this way later in the sea-
son, I have not received a
design for it, if you wish it
made for you, send me a de-
sign and I will try to do
it without fitting if it is
without a lining.

Enclosed find bill
with the design.

Yours Truly
Anna T. [Signature]
