Dear Mr. & Mrs. Sawyer;

I received word from
Mrs. Robinson of Warsaw
that she cannot possibly
accept the place of
Coast-Mistress on the
programme for the
Banquet at Silver Lake.

Have you learned
what arrangements have
been made there?

I have not heard since
I left.

I trust you are well
and would also not tarry.
I am wondering if this

Does not find you in
Chicago.

I am expecting to go
here in September - then
or the last of August.
Should you any time
come near Livonia
be sure to come and
see me.

I shall leave home
for the center of the state
August tenth to remain
until the 24th

Please remember me
kindly to Miss Kilburn
Affectionately

D. J. Hughson
