Mr. Albion W. Tourgee,

Mayville, N.Y.

Dear Sir—We beg to acknowledge receipt of your letter of the 20th inst., in reply to ours of the 16th, instructing us to send the Grass Mixture for next spring's seeding.

In our letter we advised August seeding, and if the ground can be got ready, we would advise you to sow the Grass Mixture then, and defer sowing the Mixed Flowers until early next spring.

Shall we ship in time for August sowing 3 bush., which is the proper quantity for one acre of Henderson's Special Grass Mixture for a permanent meadow?

We book your order for the same and await your reply.

Yours truly,
