

United States Post Office,

A. W. SHAFFER,
POSTMASTER.

Raleigh, N. C., June 26th 1893.

Dear Mrs. Lougee.

I inclose herewith the paper received last week, because of what you say in your letter - that it would be a payment by me, and you do not wish to get near to it than that situation places you. Also that payment by you might throw discredit upon the transfer. I thought it would operate the other way -

Please accept thanks for same - and let me know when it reaches you safely. This is the 4th anniversary of my appointment as postmaster - Expect to see something drop this week. though my second Commission does not expire until March. 94. How is his Royal Highness, the Prince? I have not heard from in about two years.

Very sincerely yours,

A. W. Shaffer
