

A.M.T. PAPERS Jul 1893

CHAUTAUQUA COUNTY NY HISTORICAL SOCIETY 2013

OFFICE OF

DR. W. H. BARTRAN,

County Physician and Visiting Phy-
sician to Brown County Insane
Asylum.

Fort Howard, Wis., July 1st 1893

Dear Sir:

Having been a reader
of the "Bystander's Notes" for a long
time and being deeply interested
in questions discussed by you, would
like to ask you a few questions.
Is not our Republican form of Government
a failure, when it is unable to protect
all of its Citizens everywhere in
the full enjoyment of life-liberty
and the pursuit of happiness?
Are the laws inadequate for that
purpose, or is there a lack of the
proper disposition and law-abiding
sentiment among the masses to
administer the laws?

What in your opinion is the remedy?
A reply through the "Inquirer" would
be grateful. Most Respectfully Yours
W. H. Bartran
