My dear Sir:

Please find herewith a letter addressed to me by a distinguished member of the Scottish Branch of the Society for the Advancement of the Brotherhood of Man, who has requested me to send the letter to you. I will thank you to return the letter to me and to treat its contents as confidential.

Miss Wells related to me substantially the facts as Mrs. Mayo relates them in

the enclosed letter.

I have no comment to make, further than to sincerely regret the incident, which has pleased the Scottish and English branches of the work by the laws, and to deplore a manifestation of mental weakness on the part of Miss Doupey, for whom personally I entertain profound respect and whose zeal and work in the cause of humanity command my admiration and gratitude.

I trust that you have recovered your good health.

Very respectfully,

T. Theo. Fortune  
Judge W. W. Bourne
