

My Dear Cousins,

Through a misunderstanding I find your letter has not been answered.

It arrived just before Lydia went away and I supposed she sent a reply for all of us. We were very surprised of course to hear of Aunt Mary's death.

If our father comes next year he will stay with us as he did with you. It must

to sorrow to die if you had
had a longer life and your
friends have nearly all
gone from you. Accept our
love and sympathy.
Cynthia and Helen have
been with us the whole year
and will probably stay
here for a number of years.
It seems the best plan for
them at present.

They have gotten through
the year better than we
could have expected last
Summer. — Cynthia has
gone to Denver for the
Summer and Helen has gone

to Connecticut for a few weeks
visit mil. her aunts friends.
Our baby is well and I
must not forget to send
you a picture of her which
we have just had taken.
She will soon be pretty
again - I am sure.
My love to your family
& Cousins Angie and Millie.
I hope we may see you
some time soon.

With love,

Kate W. Morrison.
