Hon. A.W. Tourgee'

My Dear Sir:-

As the time is approaching for our Congress on Africa, - August 14th to the 22nd, inclusive, - we are anxious to learn whether, since your kind acceptance of our invitation to furnish a paper upon your topic as allotted in the schedule sent you, there has occurred any Providential hinderance to that purpose. We need this information in assigning the addresses and essays to their respective places in the program of the daily sessions. Expecting to receive your paper, in our tentative program, we have put it in the and we sincerely hope the Congress may have, without fail, the benefit of your contribution.

As by the direction of the President of the Congress Auxiliary, the Hon. C.C. Bonney, the time for the papers will be limited to twenty minutes each, and the amount for publication, in the Proceedings of the Congress, to 7500 words. The manuscript should either be written in English or translated into English before sending it to Chicago. 'Copy' should be typewritten or printed and mailed early enough to reach the Committee by August 1st.

Sincerely yours,

Chairman.
