St. Paul, Minn., July 14th, 1892

Honorable A. W. Tourgee.,

Mayville, New York.

Dear Friend of the race:-

At the request of a number of my friends I address you this, and beg that you will give of your time sufficient to inform me and them if it be true as reported in the Associated Press Dispatches, that your association intends to take active steps concerning the lynching of C. J. Miller in the state of Kentucky, if so, except our joyful thanks and congratulations.

We pray and hope you every success, and cheerfully offer our services to render whatever assistance we can. As President of the Civil Rights Committee I tend to you its services, and as its attorney, tender such legal service as can be rendered.

Trusting you will answer at your earliest convenience, consistent with your many other duties, I am,

Respectfully,

F. S. William A. Hazel, Sec. of the Committee joins me in the foregoing. You will no doubt remember myself and Mr Hazel as the persons who escorted you to our meeting held in St. Paul, June 1892.

F. L. McGhee.
