

Hillsville O July 16/93  
 Judge Sougee

You will remember  
 a conversation we had in the park at  
 Hillsville the 4th of July in regard to a  
 trade of lands. The 34 acres known as the  
 Sougee lands for which I agreed to give  
 you in Reno to Hanses Herworth is a description  
 as given to me in the deed.

The South East 1/4 of Sec 15 of Township 22  
 South Range 10 West, County of Reno State of  
 Kansas containing 160<sup>2</sup> according to government survey  
 you may have either of you select.

This land cost me about 6 years ago \$2000.00  
 about 4 years ago I was offered \$3000.00 for it  
 I had the farm looked up for me & in short they  
 report it good pasture land & will raise and  
 grow of crops. It's raw land this land is clear  
 from any encumbrance I've paid in full.

By consulting map of the state you can  
 readily locate the piece the land was deeded  
 from John Moores & wife to me.

If exchange can be made someone here of your  
 acquaintance would satisfy me to exchange deeds &  
 both lands to be perfect in title & without any  
 encumbrance whatever.

Set me p now as soon as possible and  
 Oblise Yours S. S. Byworth

On Dec: I submitted your  
proposal to Miss Kalforn the own-  
er of the hut you refer to, who  
is spending her vacation with  
us, and she is not inclined to  
accept the exchange you  
propose. She is willing to

sell but has not care for  
other land so far away.

Yes
