Wick July 17th 3
Judge A. W. Burgess
Comrade, I
arrived home shortly after
noon Friday, in time to
see my little nephew, -
- who with his mother was
on a visit from their
home in Colorado - die
We lay him away this
p.m.

I wish I could make
you feel how thoroughly
I enjoyed my trip to -
- and short stay at -
- Mayville. It's a "mile
stone" in my memory
of pleasant events,
and as I passed down

the walk opposite your
home, in the early morn-
-ing, I left with you
and yours my best wishes

This is the first writing
I have done since my
return; and as soon
as I know of any
decision in the business
I saw you about, I will
write you fully.

With kindest regards
to you, and yours

I am truly,
L. N. Parker.
