Dear Mr. Bourgoze

I have just read back from the Gramma Co. your letter which I submitted to them some time ago. It is endorsed: "At present cannot use illustrations. Can't show say what the future will bring forth."

I know the company would like to use the illustrations if they had sufficient capital. I am sure the scheme would be a paying one if properly pushed.

I am as ever your

your husband & daughter  
enjoying this beautiful  
summer?

Hoping you are  
all well & happy, I  
am with kindest  
regards, as always  
Yours sincerely
