Dear Sir Comrade

The enclosed clipping
maybe of interest to you as
an illustration of the Administration's
regard for the laws & the old soldier.
It has been published in 3 local
Manistee County papers where
the facts stated are all known,
and I wish to give it the widest
publicity possible.

In view of the direct results
of listening to and acting upon
the late insane cry for a change
many even of the Dems in this
region are disgusted & more are sal

One prominent Democrat near here
 says "Cleveland is a 'bob tail flush'
 another, "he is no good" another
 "I admit I voted for Cleveland
 but I am d-d sorry today
 that I did it. What a sweet
 combination of Hypocrites, Rebels,
 Traitors & Tamman Thieves are in control
 now at Washington; but the
 country deserves the punishment,
 in that they followed greed
 and ignored justice.

Yours sincerely
