

Chardon Ohio August 1st 1893
 L N Parker Wick Ohio

Dear Comrade Jones of the
 23rd ult - Came duly to hand but I have delayed
 answering until today, knowing that I should
 have an opportunity to see Comrades Blapp &
 Taylor both at once today - and could better
 arrange for a time to meet - We have decided to
 fix upon Thursday August 10th to meet at
 Warren at the Park House - as we do not feel
 like burdening Comrade Forbis to entertain us again
 so soon, and have had no opportunity to consult with
 anyone else - It seems desirable to have it at Warren
 to accommodate Judge Tourger and Col. Perkins -
 I shall write to them tonight requesting them
 to be present - also notify the other members of the
 Committee and Capt. Wallace -

Comrades Blapp and Taylor both assure me that
 they will be present if nothing unforeseen prevents -

Hoping to see you at that time I am as ever

Yours fraternally
 W L Maynard
