M. A. Albin W. Tourge,

Dear sir; I inclose one dollar to be applied to the fund for the prosecution of Seay & Miller's murderers. I will give more if necessary. It is a small amount of course but if all lovers of liberty and justice will put in their mites the necessary amt. can soon be raised. I am anxious to see the villains brought to justice and the widow compensated, not only for her sake, but also because it will be one step gained towards the suppression of mob murders.

Fraternally Yours
