## Entertainment During World's Fair.

LOCATION.—Our residence is in a pleasant, quiet district on the west side of Madison Avenue, near corner of 58th Street, and due west of the various State buildings of the Exposition. It is within two blocks of the Madison Avenue entrance of the Fair on the Midway Plaisance, is within easy walking distance of the entrances to the Fair at 57th and 59th Streets, and is within three blocks of the cable line and of South Park Station (57th Street) of the Illinois Central Railroad.

(See Location as indicated on Accompanying Map.)

OUR RESIDENCE is a three story and basement brick house and was built last summer. It has the usual modern conveniences of gas and hot and cold water in toilet rooms on each floor. All the bed rooms have outside windows. The house is comfortably and (mostly) newly furnished throughout. We can accommodate about twenty-five persons.

OUR RATES.—For Lodgings: At the rate of \$1.00 per day for each person, as follows: \$2.00 per day for rooms having one bed suitable for two persons; \$3.00 per day for rooms having a double bed and a woven wire cot; and \$4.00 per day for each of our two large front bed-rooms, which each have two double beds. A person may have exclusive use of a room by paying the full price for the room. Room rent is payable weekly in advance.

For Table Board: This is optional and will be at the rate of 50 cents per meal for each person and is in addition to the price of the room. We serve breakfast and six o'clock dinner.

ENGAGEMENT OF ROOMS.—Applicants should specify at what particular dates (with choice of dates if possible), for how long a time, and for what number of persons (with sex and whether adults or children, &c.) rooms are desired. To ensure rooms being reserved for them, an advance partial payment on the rent of at least \$5.00 on each room, or one-quarter of the entire rental for the period, will be required. After this payment is made, on reasonable prior request for a change of date we will make such change if it can be done without loss of the rest of the room.

When we cannot accommodate visitors with rooms in our own house, we have several near neighbors whom we can recommend at whose residences we often secure rooms for our friends at the same rates as our own. In such cases meals can be obtained at our residence or at near cafés.
