Now Woodstock, Ill., Aug 14 1893

A W Turgew  
my dear Sir

"Don't  
you know" that Reptander  
shots of last Saturday,  
were amongst the  
best of your productions -

Give away my brother  
time alone will reveal  
the influence of your  
earnest words in behalf  
of the colored race -

If that article dont  
drive the same of the  
Copper Heads nothing  
but death will -

Woodstock, Ills., \_\_\_\_\_ 189

I wonder how you  
 can write so much  
 on that subject and  
 not repeat yourself —

May your labor be  
 any spared to battle  
 for the right —

Yours truly  
 H. H. Bell  
 Kindest regards to  
 Mrs. J.
