PERSONS COMMUNICATING ON BUSINESS OF THE FIRM PLEASE ADDRESS THE FIRM.

New York,

Hon Albion W Tourgeé
Mayville N Y

My dear Sir Your very much appreciated favor of 12th instant and accompanying photographs of - first of all, Judge Tourgeé - second those of G. C. Lillard - third the vixen looking ifilly Sarcoma. Miss Fanny says - and we all concur - say to the Judge, "now we have a likeness of him that is satisfactory"

The pictures of Lillard of G C taken 23rd June 1893 foaled July 11, 1891. height 69 $\frac{3}{4}$ inches (can it be) 17. $\frac{1}{4}$ hand, weight 835^{lbs} is indeed a noble specimen, a beauty - a power at every point and a pedigree, if not at this time the most fashionable, in quality, for all that make a horse seldom excelled, and certainly must delight his owner, every time she looks at or thinks of him.

and now I wish to say to her, as inferior to him as is this little clown headed, mean looking and apparently more meanly disposed, I like the character as a cross with Lillard she shows at every point - she is full of character. When she gets ready, give her her head, let her have her own way of doing it and she will get there, no matter what the distance and little will it matter what the time, or I am no judge of character from breeding and form.

The qualities of the two will shake up the progeny and those of us who live to see it and know it, will with opportunity ^{see} demonstrated the shrewdness, the horsemanship of the thought of bringing the sire and dam together. For Connoisseurs reference, in my letter book I add ~~the~~ your memorandum appended.

Sarcoma - bay filly - apt. 13th 1891 - Sire Chilton by Princeps out of Englewood - full sister of Wedgwood - Dam Tricolora by Meander out of Maid of

Racine by Swigert.

Photograph and weight, ^{height} taken June 23^d, 1893 by Judge Bourgie
as follows - Weight 765^{lbs} - Height 58 and one-half inches (14.2 1/2 hands)

We are all well, all pleased and made the happier by your
kindness, for which, with ^{thanks to} kindest regards to your family

I am

Yours truly

By the way you either left a wallet in my }
fishing duster? - that's good - or I have stolen }
one. I mail it to you! } *W. Kellogg*

My omissions and intertentions show that when a man is worn
out he ought to take good advice and stop - as you advise
