Dear Sir :

Replying to yours of the 16th, would state that we have a second hand safe which Mr. Flagler is holding subject to our orders. It would be impossible for us to figure on renting the safe for any length of time, as our salesman has instructions to sell it soon as possible, and we could not guarantee that it would be on hand any length of time. If you wish to purchase the safe, we believe satisfactory arrangements can be made regarding the payments. The safe is worth at least \$55 and we could arrange the payments as follows : \$5 on delivery of safe, then \$10 every two, four, six, eight and ten months. This would be figuring it at the rate of \$5 a month, and would extend the time on the payments ten months from date of delivery.

If agreeable, kindly advise and we will make out a contract to this effect and send on for your signature.

Yours truly,

THE CARY SAFE CO., Limited,
