Dear Louise

I would like very  
much to have a talk  
with you some evening  
or afternoon next week,  
I am corresponding  
with the University, getting  
your book and articles, a  
series of sketches of the  
movement among ad-  
vanced women here, and  
I want to send you the  
list -

Will you remove  
some blaze, or is  
your study disrupted  
to visitors - if they  
do not stay too long  
or trouble you too  
much!

I do not want to  
miss you that is all

Respectfully  
Eugene Playter Deaborn
