We beg to say in reply to your recent favor regarding Major's Life of Prince Henry of Portugal that we can probably import this work for you, but we do not think a copy can be procured in this country. The title of the work is "The Discoveries of Prince Henry and their result", and the price is \$6.00. We shall be very happy to serve you, and awaiting your further commands, we remain,

Very truly yours,**BRENTANO'S**
