Abner H. Tourgee,  
Mayville, N. C.

Dear Sir, your communication of the 28th inst. came to hand this afternoon. I had missed your letter from the Inter Ocean and had thought of writing the Editor concerning the matter.

I hope the "suspension" will be brief and have just written the Editor saying as much.

I have taken the Inter Ocean the last two years simply to get your letters.

Yours in the cause of Liberty  
A. V. Hedges.
