Dear Sir:

I see  
by the Crossader (N-O-) that  
they understand, that the  
Inter Ocean has refused  
to publish the Register  
letters, is it true?  
I shall stop the paper if  
it is true.

Please accept my thanks  
as one of those who remain  
loyal to true republican  
principals, for the good  
work you have done.

Let me beseech you not  
to cease the work.

I try to think some times  
that all will come out  
right in the end - but

the most of the time I  
can not help believing  
that those principles which  
will perpetuate our gov-  
-ernment are being under-  
-mined - the very life blood  
sapped out of them.

I do not look for relief  
from the Republican Party  
Talking with a veteran in  
1874 he said if the govern-  
ment did not protect its  
citizens, ~~it~~ had no right  
ask protection of its citizens.  
He ~~is~~ has been a republican  
all his life, but this spring  
he told me he should join  
Douglas's party.

What can we do? What  
can be done? I cannot  
see any silver lining to  
the cloud.

Thousands of intelligent  
people cannot get their  
thoughts before the public  
because of some foggy notion  
of Theology.

Your Respectfully -  
E. D. Beake
