Dear Sir: Replying to your inquiry
of the 11th inst., I can only say
that I ~~was~~ ^{was} informed that, "the
Management (of the Enterprise) have
decided to ~~read~~ ^{the publication of} suspend "A By-
Stander's Notes" for two months.
Whether we shall desire to resume
it after that time or not" ~~and~~ [&]
the writer stated that he was
"unable to say at that time."

The reason assigned for
this "suspension" was "great
pressure on our columns."

I have asked no questions and
I have no further knowledge
in regard to the matter. There
is talk of publishing a weekly,
"The National Citizen" for the
discussion of such questions

as were specially mentioned in the By-stander
if sufficient encouragement as to circulation
can be secured.
