Dear Sir, I am  
surprised & pained  
by the news that  
The Inter Ocean is  
to discontinue The  
Bylander's Notes.  
These communica-  
tions I valued more  
than all the rest  
of the paper. I have,  
nevertheless, always

thought this journal  
the best in Chicago.  
That your notes I  
was accustomed  
to clip out regular-  
ly & file away.  
They were treat-  
ed calls to  
national and  
local righteous-  
ness in our treat-  
ment of our

As an American  
fellow-citizen,  
Nothing like your  
discussions of this  
topic appeared  
anywhere else.  
Your extraordinary  
familiarity with  
every phase of the  
subject - made me  
& thousands of other  
men your pupils  
on our race problem.

As you will see by  
the accompanying  
number of Overday,  
I have recently  
republished among  
Vital Points of Ex-  
post-opinion your  
trenchant paragraphs  
on the lynching of  
American citizens  
by Southern mobs.  
I hope the Mylander  
will soon have a  
journal of his own.

My mem-  
ories of my  
march light ride from  
Chautauqua to Mayville  
& my call at  
Thatheim - Thor's  
home is my transla-  
tion of the name! -  
are very delightful.  
Your Appeal to Caesar  
& Fool's Errand are

well-read books,  
in my library  
of Reform.

Let me thank Mrs.  
Louise once more  
for the superb bouquet.  
She honored me with  
at Chautauqua. It  
was brought to Cliff  
Seat & much admired  
by the ladies here.

Yours most respectfully,  
Joseph Cook.

P.S. - If this  
letter, in whole or  
in part, can be  
used to advance in  
the least your en-  
terprises of reform,  
it is at your service.

Many thanks for your  
letter rec'd at Chautau-  
qua & note rec'd here.  
Our Day is yet  
looking for a purchaser.  
I. C.
