Judge A. W. Tourgee,  
Mayville, N. Y.

Dear Sir:-

You may remember that  
I was manager of a lecture  
course a few years ago at  
Marquette, and engaged you  
through the Clayton Bureau.  
The young people's societies  
here are about to form  
a lecture course. Could we  
engage you direct for some  
time during the coming season?  
What would be your price so  
engaged? There would be no commission  
to an agency.

Very truly yours,  
W. M. Austin
