Dear Madam

Your letter of today  
rec<sup>d</sup> 5 pm. - The Buttons  
I am illustrating by Miss Tanager  
Souvenir Ed. - is admired  
by all who examine it -

Trade in all branches is  
exceedingly dull at present  
but I believe the work will  
have a good sale during  
the holidays. It certainly  
merits it -

Very Respy,

W. W. Henderson
