Hon. A. W. Bourque.  
Mayville, N.Y.

Dear Sir,

Enclosed please find invoice of wine shipped you yesterday. I have also credited you the \$2.00 over charge made in last consignment which I had not discovered it being done while my bookkeeper was in Chicago setting up my exhibit at the Fair and my B. O. man occupying his desk and undoubtedly did not refer back for prices to you as \$1.25 is my regular price, trusting the same is now satisfactory and that the money stringency has no hold of you! I thank you for your past patronage.

Yours Very Respy.
